MINUTES

OF THE

BOARD OF PROPERTY

AND OTHER REFERENCES

TO

LANDS IN PENNSYLVANIA.

EDITED BY

WILLIAM HENRY EGLE, M. D.

(Owing to the fact that some of the Minute Books of the Board of Property are not to be found in the Land Department, the disconnected record will be accounted for. We give such transcripts from the Caveat Books, however, as may possibly supply the status to the proceedings of that office. So important are these that their insufficiency is to be regretted.)

Index to Volume I.

[It has been deemed best to simply furnish an index of all surnames recorded in these minutes. In the case of the Commissioners and Surveyors whose names are mentioned on almost every page, the word "general" has been affixed.]

Secretary of the Commonwealth.

MINUTES

OF THE

BOARD OF PROPERTY

AND OTHER REFERENCES

TO

LANDS IN PENNSYLVANIA.

INCLUDING

PROPRIETARY (OLD) RIGHTS.

EDITED BY

WILLIAM HENRY EGLE, M. D.

[Owing to the fact that some of the Minute Books of the Board of Property are not to be found in the Land Department, the disconnected record will be accounted for. We give such transcripts from the Caveat Books, however, as may possibly supply the hiatus in the proceedings of that office. So important are these that their incompleteness is to be regretted. A portion of the Record of "Old Rights" is also given.]

Index to Volume II.

[It has been deemed best to simply furnish an index of all surnames recorded in these minutes. In the case of the Commissioners and others, names of whom are mentioned on almost every page, the word "general" has been affixed.]

GENERAL INDEX TO VOLUMES XI-XXVI.

PRINTED UNDER DIRECTION OF
W. W. GRIEST,
Secretary of the Commonwealth.

EDITED BY
GEO. EDWARD REED, LL. D.

PREFATORY NOTE.

[The Indexes of Volumes I-X, inclusive, were prepared under the direction of William H. Egle, M. D., and appear in the respective volumes of the series. As the remaining volumes, XI-XXVI, inclusive, which were published under the supervision of the same editor, were without indexes, it has been deemed advisable, for the sake of convenience, to bring together the indexes of the first ten volumes, and to republish the same, accompanied by a general index of the remaining sixteen volumes, a work of enormous labor and yet one without which the value of the series would be very greatly impaired. In the final volume of the series appears a supplemental index of names omitted in the preparation of the General Index.

GEORGE EDWARD REED, Editor.]
